

2025-2026 MEMBERSHIP APPLICATION

The Port Isabel Chamber is "4" you!

1. Visibility:

Being an active member of the Port Isabel Chamber of Commerce can put you in front of ideal clients in non-pitching environments. This level of visibility will give you meaningful face-to-face time and allow you an opportunity to showcase your amazing ideas and contributions to the chamber and local community. The Port Isabel Chamber sponsors the Shrimp Cook-Off as well as the semiannual causeway run. These events provide hands on fun with your fellow chamber members and provide your business visibility.

2. Networking:

Local exposure with business organizations is where your Port Isabel Chamber of Commerce can offer you tangible, real world benefits that you won't find anywhere else. Members receive much needed exposure, and amazing networking options. Offering quarterly mixers provides the ideal networking opportunity for you and your business. In addition, members receive a free listing on our website and ribbon cutting ceremony for new businesses.

3. Public Recognition:

In addition to the plaque you will receive for your business, the Port Isabel Chamber publishes a monthly newsletter which is sent out into the community. This provides a great (and free) opportunity to get your name out. Typically, our newsletters focus on member-related news, rather than advertising, as it offers a win-win situation for both the community and members.

4. Connection to the Community:

Regardless of how big (or small) you are, it's important to remember that you are very much a part of the local community. The Port Isabel Chamber works very closely with city government and offices that create policies that directly affect your business. By joining your local chamber, you have the opportunity to add your voice to the discussion to make a difference in our community.
